Amilia_v2

Amilia_v2 was designed by Henrike Wiesner. Type specimen 04/2024.

Do we really need to add high contrasts to every typeface just to avoid creating more Helvetica clones?

Amilia_v2 — Running text (10/18pt)

Amilia	Oh girl … It's so——weird …
Eline	Umm … What is?
Amilia	Being here.
Amilia	Being BACK here——it's weird.
Eline	Huh? Why?
Amilia	Because …
Amilia	I was so DONE with this place.
Eline	You sure don't seem to be done!
Eline	…
Eline	I thought you would enjoy coming back here.
Eline	We always used to go for walks in these woods——
Eline	at least back then.
Amilia	That was then and now is now …
Eline	Okay, fine. Seems bringing you here was a bad idea.
Amilia	I'm …
Amilia	not sure.
Eline	Well, make up your mind then!
Amilia	Easier said than done!
Eline	Maybe we should just go home.
Amilia	I don't want that either …
Eline	What DO you want then?
Amilia	Let's … Amilia just keep walking for now.
Eline	Fine.
